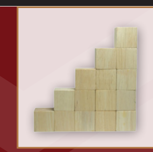
WesMark Funds℠

GROWTH FUND



For investors seeking growth of capital through mid- and large-cap stocks

3.31.17 » First Quarter Fact Sheet

Investment Objective

WesMark Growth Fund seeks to achieve capital appreciation. The Fund invests primarily in a diversified portfolio of equity securities of companies with prospects for above-average long-term growth of earnings. The majority of the stocks held in the Fund will be mid- or large-capitalization growth stocks.

Why WesMark Funds?

Experienced portfolio managers

- The portfolio managers have a combined 90 years of investment experience;
- In addition to managing the WesMark Funds, the portfolio managers also manage trust-account portfolios and a bond portfolio for WesBanco Bank – more than $3.7 billion in total assets.

Portfolio management strategy

- Fund seeks to provide growth of investors' capital through an actively managed portfolio composed primarily of mid-cap and large-cap U.S. companies' stocks;
- Invests in companies expected to achieve higher than average profitability ratios such as operating profit margins or return on equity;
- Fund management relies on the portfolio team's depth of experience in stock analysis and selection, so that the portfolio emphasizes stocks earning the team's confidence.

No-load structure

- All of your investment goes to work for you because no sales charge ("load") is deducted when you purchase WesMark Fund shares.
