

WesMark Large Company Fund

WMKGX

3.31.25 » First Quarter Fact Sheet

Investment Objective

WesMark Large Company Fund seeks to achieve capital appreciation. The Fund primarily invests in a diversified portfolio of equity securities in companies with prospects for above-average sustainable growth while trading at reasonable valuations. The majority of the stocks in the Fund will have a market capitalization level that is consistent with the S&P 500 Index at the time of purchase.

Why WesMark Funds?

Experienced portfolio managers

- The portfolio managers have extensive investment experience and depth of knowledge;
- In addition to managing the WesMark Funds, the portfolio managers also manage trust-account portfolios and a bond portfolio for WesBanco Bank – more than \$7.2 billion in total assets.

Portfolio management strategy

- Fund seeks to provide growth of investors' capital through an actively managed portfolio composed of domestic equities will have a market capitalization level that is consistent with the S&P 500 Index at the time of purchase;
- Invests in companies expected to achieve above average profitability ratios such as operating profit margins or return on equity, while trading at reasonable valuations;
- Fund management relies on the portfolio team's depth of experience in stock analysis and selection in determining sector and security allocation.

No-load structure

- All of your investment goes to work for you because no sales charge ("load") is deducted when you purchase WesMark Fund shares.

Hypothetical Growth of \$10,000 Invested in WesMark Large Company Fund

March 31, 2015 through March 31, 2025

Performance data quoted represent past performance, which is no guarantee of future results. Investment return and principal value will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost.

Mutual fund performance changes over time, and current performance may be lower or higher than shown here. For current performance to the most recent month-end, and for after-tax returns or more complete information, call 1-800-864-1013 to speak with a WesMark Funds representative.

The S&P 500® measures the performance of 500 large-cap U.S. companies. The S&P 500 is not adjusted to reflect sales charges, expenses or other fees that the SEC requires to be reflected in the Fund's performance. The index is unmanaged and unlike the Fund, it is not affected by cash flows. It is not possible to invest directly in an index.

The information presented for the LLCCFA is the average of the total returns of the 30 largest qualifying mutual funds (based on net assets) in the Lipper Large-Cap classification. Lipper averages do not reflect sales charges. It is not possible to invest directly in an average.

Performance as of March 31, 2025

Average Annual Total Returns	
1 Year	2.88%
3 Years	5.90%
5 Years	16.30%
10 Years	9.41%
